FOR
ADMISSION

After the grand success of last year's Griffins International Fide Rated Rapid Chess Tournament 2025, we are delighted to organize the 2nd edition at the same venue once again.

Last year, the tournament created a record with 493 participants, making it the highest participation rating tournament ever organized in West Bengal. Due to limited space availability, more than 100 entries had to be rejected.

This year also, the total capacity will remain limited to only 500 players on a first come, first serve basis. Therefore, all players are requested not to wait for the last date and complete their enrolments as early as possible.

We look forward to another memorable celebration of chess with players from across the country.

Glimpses of 1st Griffins International Fide Rated Rapid Chess Tournament 2025

From budding young talents to experienced masters, players of all age groups come together to celebrate the spirit of chess at the Griffins International FIDE Rated Rapid & Blitz Chess Tournament. Where every move inspires excellence — welcoming chess players of all ages under one competitive platform.
