CHESS KATTA

Chess Katta was founded on **3rd December 2025** by **Ankit Jaiswal**, with a vision to help young and aspiring chess players become confident, tournament-ready competitors through structured training, personalised mentoring and consistent tournament exposure.

Today, Chess Katta is a growing chess community with **50+ students** in Pune and across the world, including countries such as the USA, UK and Singapore.
Our offline academy is based at **Amanora Gold Towers, Pune**, while our online coaching allows us to train players globally.

Our **mission** is to provide the right training, guidance and competitive exposure to help every player improve their skills and reach their potential.

We aim to **promote and grow chess** in Pune, particularly in Kharadi and nearby areas, by creating a strong and active chess community.

We also aim to organise frequent **chess tournaments and events**, giving players regular opportunities to compete, gain experience and learn from every game.
